Dear Vendor:

The Montezuma Downtown Development Authority is excited to announce the 2010 Beaver Creek Festival and Duck Race which will be held on Saturday, October 30. The festival begins at 9 am and ends at 4 pm. It is with great pleasure that we invite you to reserve booth space for this family-oriented event which generally draws around 4,000 patrons.

Montezuma was deluged by the Flood of the Century in the Summer of 1994. The Beaver Creek Festival was established when the flood waters went down to celebrate the spirit of revival required to dry out and restore the historic buildings in the heart of the picturesque downtown area. Each year Montezuma commemorates the heritage of courage that has revived downtown from flooding disasters dating back to the 1920s. The 2010 Festival will recognize the importance of preserving the cultural resources and heritage that makes our community strong.

The festival includes food, vendors and live entertainment, along with lots of other fun-filled activities for adults and children alike. The Grand Finale is the Great Beaver Creek Duck Race sponsored by the Macon County Chamber of Commerce. Each vendor space rents for \$30 without electricity and \$40 with electricity. Space preferences will be honored in the order in which payment is received.

Booths and activities of a political nature will not be permitted on Festival grounds. Organizations **raising funds or selling products or services** must reserve a paid space.
- Activities, products or exhibits not formally approved or deemed inappropriate for the festival audience will be escorted from the premises by law enforcement. Appropriateness determinations are at the sole discretion of the Festival Committee.
